

CONCORD TRANSCRIPT REPORTS

The Concord Transcript sports staff has requested that we submit all league game results in one mass e-mail per week. Please e-mail your game results to Patricia Fiene at thefiene5@yahoo.com.

Deadline for submission are Wednesday's by 5:00 p.m.

Your reports **MUST** contain this information:

- Division (Under 10 Boys, Under 8 Girls, etc.)
- Score of Game (except Under 6's - do not report scores for Under 6's), including both team names
- Who Scored Goals (**first AND last names**)
- Outstanding Players (**first AND last names**)
- Summary of Game (**3 sentences maximum**, please)

**Sample words: Outstanding plays, tough game, awesome play

Please use black or blue color font only; no color backgrounds.

NOTES:

- The Transcript prints articles on a space available basis each week. I will submit everything I receive every week; however, Concord AYSO is not responsible for what the Transcript prints and doesn't print. Keep in mind that we share space with other leagues and the high schools, and fall is a very busy time for sports events.
- The Transcript reporting deadline for the following week is Sunday. This means that the game summaries will not be printed for almost two weeks. PLEASE HAVE PATIENCE WITH THE SYSTEM. Do not give up because you don't see your team in the paper right away.
- Please submit your games on a weekly basis, rather than "storing them up" and submitting several in one week.
- PLEASE keep your comments positive. There is always something good to say about a child's play, no matter what the outcome of the game.
- Concord AYSO has an unwritten "no-slaughter" rule (a win by more than a 6 goal margin). Games in violation of this rule WILL NOT be submitted to the Transcript, and WILL be reported to the appropriate coach administrator.

Any questions, please contact me. I look forward to reading about the great kids on your team!
